Risk Warning

Trading leveraged products such as Forex, CFDs and binary options, involves substantial risk of loss and may not be suitable for all investors, since leverage can work both to your advantage and disadvantage. As a result, trading such products is risky and you may lose all of your invested capital. Therefore, you should not risk more than you are prepared to lose. Before deciding to trade, you need to ensure that you understand the risks involved taking into account your investment objectives and level of experience. Seek independent advice, if necessary. Please read FxGrow's full Risk Disclosure Statement.
